

## COA Las Vegas Conference

### Illinois Approvals List and Instructions

**IL**.....Main Conference Approved for up to 12 CE credits. Specific sessions approved in THREE HOUR blocks only so you must take both classes included in each module if applicable. Post-Conference Certificate Classes approved for up to 6 hours additional CE for a total possible of 18.

**IL**.....**You MUST sign-in to each session attended, sign-in sheets will be provided.**  
**Note: Attendees must also complete a proctored 25 question exam for each 3-hour block attended. Some courses will require a 50-questions exam due to length. The final exam times and locations will be announced at the conference.**
